[1](#)1. Post is in receipt of reftel. Post will suggest to the Debt Management Office that it contact Mr. Erickson directly to discuss a possible repayment schedule. Presumably, Erickson has already responded to letter of May 13, 2005 from Debt Management Office to advise them that no terms are available.

[1](#)2. In light of points contained in reftel, there appears to be no scope to discussions which would warrant Surinamese government travel to Washington.
